

A woman with long hair, wearing a dark sleeveless top, is focused on shaping a piece of clay on a pottery wheel. The workshop is filled with various pottery items, including bowls and cups, arranged on shelves and tables in the background. The entire scene is overlaid with a semi-transparent blue filter.

Is cuid dhílis de pholasáí teanga an Stáit an Ghaeilge a chaomhnú agus a neartú mar theanga phobail na Gaeltachta ionas go seolfar ar aghaidh slán í go dtí na glúnta atá ag teacht ar an dóigh chéanna a tháinig sí slán chugainne aniar ónár sinsear go dtí an lá inniu. Is é dúshlán Údarás na Gaeltachta an polasaí sin a chur i bhfeidhm ina réimse gníomhaíochta féin. Is é Údarás na Gaeltachta an ghníomhaireacht réig-iúnach atá freagrach as forbairt eacnamaíochta, shóisialta agus chultúrtha na Gaeltachta a chur chun cinn. Trí mhéadú ar dheiseanna fostaíochta sa Ghaeltacht tá spreagadh á thabhairt ag an Údarás do dhaonra óg soghluaiste fanacht sa bhaile ar a bhfód dúchais. Ar an mbealach seo tá folláine agus dea-bhail eacnamaíoch, chultúrtha agus phobail á cur chun cinn sa Ghaeltacht agus dá bharr sin tá neartú á dhéanamh ar an mbonn teanga agus dúchais.

The Gaeltacht covers extensive parts of counties Donegal, Mayo Galway and Kerry - all on the Western seaboard - and also parts of counties Cork, Meath and Waterford. These are the only parts of Ireland where Irish is still spoken as a community language by a large section of the population. The Gaeltacht is an important cornerstone in building a bilingual Ireland, as it provides an environment where the language can evolve in a modern setting.

Údarás na Gaeltachta was established in 1980 as a regional development agency to promote the socio-economic development of the Gaeltacht so as to facilitate and promote the preservation of Irish as the principal language of the region. By increasing employment prospects in the Gaeltacht, An tÚdarás is giving a young, mobile population the incentive and the option to stay in their native areas. In this way, the economic, cultural and community well-being of the Gaeltacht is promoted, with a consequent strengthening of the language base.

Ba mhaith linn ár mbuíochas a ghabháil leis na daoine seo a leanas a chuir grianghraif ar fáil dúinn:

an ghaeltacht

Painters, potters, designers, knitters, visual and musical artists, film-makers, writers and scores of other people have found inspiration for their work in the Gaeltacht landscape where the traditional occupations such as farming and fishing are buttressed by almost 8,000 full-time jobs in industrial and natural resource enterprises.
