John & Reichen '82

A young man of 28 was shot dead by 2 youths in front of his wife and 4 year old daughter last week in Belfast. The Provisional I.R.A. claimed responsibility for the murder. His crime - he had served for some months in the U.D.R. when he was 18 years old. The two youths who pulled the trigger and the "Godfathers" who planned this vicious act of senseless violence are not fighting for Ireland and we should tell them that now. This was not what Pearse and Tone fought for. This is just cold-blooded murder and will not advance the cause of Irish freedom one iota. How can the Provo's justify this vile act? The little girl was heard to say as the killers mowed down her daddy, "Are they real guns?". They were real. Can they tell her why her daddy will never ever come back to her?

Doire Na Mainsear

Bhail tá an t-election thart agus droch bhail ar an tír, ach ní raibh bunadh s'againne ina suí go té le blianta. Tá T.D. ar an dá thaobh de'n Ghaoth árais. We congratulate Dinny Mc Ginley and Pat the Cope Gallagher, but in doing so we should remind them that we the people of Doire na Mainsear voted for them on Feb. 18th. Now, will one (or both) of these gentlemen step forward and demand for us our just rights - that is street lights. He who does will be better off!

Siubhán and Owenie are in bed this last fortnight. Is it the flu or third honeymoon?

The road to Rosie Eoin's was closed to all traffic during election week. Was this a Devine diversion? John Mór says that if Mulligan treats the bride like a spade she will be waiting for a long time.

"Bhí bradáin ar an Ghaoth agus ar m'anam go raibh siad blasta", arsa Paidí.

"Tonto" can be seen galloping over and back the road. Does this mean that the Lone Ranger lives in Doire na Mainsear?

Consumer Spot. "The Rock".

We stated in our Consumer Spot last month that the new Mace Supermarket in Derrybeg were advertising Lucozade at 55p and selling it at 63p. This was not the case! In fact they were selling it at 63p and offering 8p of a refund on the returned bottle. Our reporter apparently picked up the wrong information from the poster displayed in the window.

To all those involved in fund-raising activities for the Day Centre for the Handicapped in Dungloe.

To the political parties (once again) for littering the countryside with posters and not removing them after the election.

Pointman & High Flyer are fighting over A. in B/Port. Is it true Floof is after R. ? John & the Blondie are doing a strong line in the Pier.

Why is R. R. phoning Killybegs so often? Is it because of B.H.? Salmoneilla - food poisoning is going crazy in R. na F.

A record crowd watched Keadue Rovers defeat Leitir in the F.A.I. Junior Cup Area Final at Central Park, Keadue recently. The match was marred by a very strong cross wind, however both teams put in a great effort. The game started off at a very fast pace with Leitir putting some pressure on the Keadue defence but they could not make use of their chances and as the game went on Keadue began to settle and play some fine football. It was not until the 80th minute, however, that they were able to break down a very strong Leitir defence when Michael O'Donnell carried the ball to the touch line before crossing to Liam O'Donnell who was on hand to knock home the ball for the match winning goal.

In the next round of the same cup Keadue were drawn away to Matthew Celtic (Dublin) a game which they won 3 - 2.

Eight new thatched cottages are being built on Cruit Island by Donegal Thatched Cottages Ltd., a Sligo based company and it is hoped that they will be completed in time to let for the summer season. The cleaning of the canal has commenced! Day one, the workers spent half the day looking for the canal and the other half was spent wondering how the water would be stopped to allow them to get into part of the canal to clean it. Day two - it was very cold so they played cards in a hut provided by Donegal Co. Council. Day Three passed, no work done. Day Five passed and no work done. Now the locals are wondering will this work be done at all. Latest report - Day 15 passed and still no work done.

"The Round Tower".

LEITIR

A special mention must go to the new road to the Leitir Water Scheme which has been commended as one of the best roads in Donegal. The credit goes to the hard-working foreman John (Dessie) Cannon.

Although the brave Leitir team lost the final on Sunday, they must be complimented on their great spirit and sportsmanship. At the Highlands that night Patrice, from Stagecoach had two extra singers on stage. Conal is now joining the band!

Our local garageman was missing for a few days and reports reached us that himself and Garret jointly opened the motorshow. Pity it was Garret's last engagement.

The Leitir publicans were very worried about the decline in business since Lent, but thanks to the night of the big wind the Vodka and 7 Up sales are booming again.

P.J. Mc Cready has bought the Co-Op out of 10-10-20 in his vain attempt to beat John Pius at beard growing, but John Pius reckons hard work aids growth, so P.J. doesn't stand a chance.

Quite a few Leitir people seem to be taking to the stage! Was Chris "almost persuaded" in Narin - and did ginger ale have anything to do with Lal's solo?

Sympathy is extended to the families of the following:

A lot of backroads in the area have been forgotten by the Council. The roads have been left with a variety of craters resembling a moonscape rather than a road. When are we going to see action from Lifford? The families have at long last moved into the new Fálcarach cottages. They got their keys on Wednesday and the Tory families, especially, must have been thankful considering the storms of the past few weeks. Mar sin, caoineadh deora go leor agus iad ag fágáil an oileán. Rinne an stoirm damaíste go leor ins an cheantar ach buíochas dó Dhia níor gortaíodh a'nduine.

Machaire Rabhartaí agus Mín Lárach.

Ní dheanfar dearmad go cionn fada dó oíche an ghála mhóir. Ní deánadh cuid mhór damaíste ins an taobh seo tíre ach mar sin féin d'íomhaigh sclátaí agus tiles go leor. Ach go fóill níl duine ar bith abálta a inse ca' as a dtáinig cruach an fhéir a fágadh ag doras Danny Mhary Móire. Dúirt Danny e' féin, "ní tháinig an olc ariamh nach dearn' maith dó dhuine éigin".

Cá raibh Dónall Tom agus Ned nó car chaith siad an oíche? Deir daoine gur thóg an ghaith iad agus go deachaidh duine siar agus duine soir, ach cibé mar a bhí, tháinig Dan Fanny orthu ar an 2 a chlóg lá arna mharach.

Tá keep-fit classes ar siúl i Machaire Rabhartaí. All you over-weight weeny boppers of the area take note! You cant jive when you're overweight!

Congratulations to Willie Eoghain of Mín Lárach on opening a carpentry section. As a very young man he has come a long way and he deserves credit and most of all customers, so anybody who needs tables, chairs, cabinets, kitchen units, etc. Willie is your man. Ádh mór ort a Willie and may you prosper.

The County Council men did a day's work on the New Cottages road but alas after the heavy rain the pot holes have all appeared again. It's not six lorry loads of muck that road needs but six lorry loads of tar! A very big thank you to Pat the Cope, T.D. from the residents for getting the ball rolling and also to "Guth & Tuairim" for printing a picture of the pot-holes "road".

Tá an pub quiz ag dul ar aghaidh leis ins an Fisherman's Friend. Teams ag baint agus teams ag cailleadh. Percy Filth tried to get in along with Dixon's team but he wouldn't be entertained at all. Cé dúirt go raibh béal ag Nancy mar a bhéadh sewer ann Tá Barney Nan ag dul ar aghaidh go maith i n-Otharlann na Gaillimhe. Keep up the good work Barney. Did Jackie fall out with J.R.?

DUNFANAGHY

The Saturday night discos in the Mermaid Club are going extremely well at the moment with the Supersonic Video Disco attracting huge crowds. This popular disco is run by DJ's Paul Anthony and Éamonn Mc Sharry and they have been on the road for the last two and a half years.

The Dunfanaghy/Port na Blagh sewerage scheme has at last been completed but the roads especially the Shore R d., and Rockhill R d., are in an appalling condition and are a danger to all users. Let's hope the Council will repair them immediately.

We wish James Coll, Rockhill who retired recently from the Co. Council Office in Dunfanaghy a long and happy retirement.

James worked with the Council for thirty five years and a party was held in his honour in the Mermaid Club where the music was supplied by Kevin Ward.

Immediately after the last (June '81) General Election, I predicted (in these columns) that the Fitzgerald - O'Leary marriage would not last long. It will also be recalled that more recently I suggested that the man who would decide the fate of the government would be a Limerick man. However, all that is over and thank God for the restoration of peace and quietness. At this stage all the victory dances seem to be complete and all parties have already launched a campaign to get funds together for the next election. This time it's a local one - to select a Rosses Mayor. It is understood that on this occasion it will be run purely on party lines and severe punishment will be meted out to any party member who changes horses during the campaign. Excuses like "he is my friend" will not be accepted. However no action will be taken against a member of the medical profession who finds it necessary to "attend" an opposition candidate.

At the last meeting of the local Development Committee further consideration was given to the suggestion that "local road names should be changed, bearing in mind that most are out of date and would not suggest to the tourist where he might be". The proposed changes are as follows :- Chapel Road - Court Road, Caravan Rd. - T.V. Rd., Quay Rd. - Mayor's Terrace, Carnmore Rd. - T.D. Road, Gweedore Rd. - Harley St., Fairhill - Market Square, Mill Rd., - Greenland or Beach Rd.

The complex known as Tara has changed hands and names. It is now known as Trainor's and recently opened it's doors to the public.

Ostán na Rosann's Ballroom was packed to capacity on Sunday night last when the entire community turned out to support the Church of Ireland restoration fund fution which raised £1,400. Repair work has already begun and it is hoped that the church will be ready for re-dedication before the end of June.

After opening it's doors is Charles Mc Fadden's new shopping complex which is a most attractive building and lacks little in architectural merit. To date no news/details are available on the '82 "Mary" festival, but, I am confident that by next month's issue we will have some info. and I would forecast that this year's event will be bigger, brighter and better than ever before. Any truth in the rumour circulating last weekend that part of the deal between Tony & C.J. was that in the event of No "Mary" festival the event would be transferred to the Inner City?

Dom & Sadie provided the highlight of the month with a very glamorous wedding. John Grubb, Hughie W. and Danny (Shakin' Stevens) provided the music which was very lively. Singers were few and far between, with only the bride, James M. and Willie taking the stage - and not a drink taken between them. James, with the firm's car really acted the "Big Shot". Johnny Hanlon really hit top gear and danced it out. He says he is fast becoming the Burt Reynolds of the Rosses, with a long line of women on the waiting list. Dom & Sadie have headed off to Dallas where it is rumoured they are purchasing a plot near South Fork for Hughie Fat to set next year's spuds!

John Joe Mc Bride has set up business in Calhane in Fashion Designing. He has his sights firmly set on London. Look out Carnaby Street!
Local drummer Michael Gillespie recently returned from a U.K. tour with the Seamus Mc Gee Sound. While in Manchester Michael picked up a request for the following: Mick Doogan - Joseph Gillespie (Kincasslagh), Owen Boyle (Mullaghduff), Ann Sweeney, Maddie O'Donnell and Margaret Mc Garvie (Kincasslagh), and all at the Cope. It comes with love and best wishes from Pauline and Kevin Boyle and Diane Mc Nulty.

Also returned home from a short vacation is Francie Gallagher, Mullaghduff. A lot of people are wondering where he was, but Francie is saying nothing. Fair play to you - keep them in the dark!

Who in the Port saved his daddy's life during the election?

The Lower Rosses

Well the election is over and it was much the same as the last time. Kitty was exported to Belcruit, the Hat was at Acres with J.R. and J. Soap with Hugh, "don't forget the local man", Condy as usual. Big Cathal was also exported from the last election and he got very excited at the court. It was grace before meals and afterwards a few prayers. But the big news was at Meenbanad. Imagine Josie made Gorry take off her - stickers. Bridget however showed no ill-feeling and after a big hug from Josie all was well again. When it was all over Niall went heavy on the large cigars. He was also exported (or imported?), as was Eamonn to Falcarragh and Meenlaragh. Charlie and Big Barney from Ostán done well in Lower Keadue on the canvas. The Murray's were served with lovely "grub" in Ostán with Charlie Sandwiches - Cathal nearly choked. De Mayor says it was de price of den. Then it was victory parades and dances. Dinny had one in the Port and some woman in her late 50's was up and down the Port blowing her horn, that's for sure.

James Ward had a rough time on Inisfree Island when he was attacked by a goat while walking along the shore looking for things washed ashore. Only for the bucket he had, he would come off bad, but he managed to get the bucket over the goat's head. James won't go to Inisfree in a hurry again.

Back to the election again, Mc Coles went through the same as before with a large picture of hee-haw. Ward's across the road soon had gab-gab looking across. Big John said their heads should be banged together. Packin and John Sally increased their vote in the area. Inisfree was on T.V. and didn't David come across well on camera carrying the box! They were all singing 'Brennan on the moor'.

There is a great craze on hats, Con the Insurance Agent, Con, the Peace Commissioner, David, the Rent Collector, I wonder who next?

J.R. says there will be no "Mary" dance in Arran this year, glasses are too dear.

We must check that!

Political pundits claimed the election was doctored. After all the din somebody will have to cope with the country's problems or empty pockets.

Recent weather left its mark on the area. Wind blew sings, slates, byres went flying. Joe's woodwork stood firm. Rain followed, and drains were filled, roads were washed away and fields were flooded. Sail boats, sleigh's or snow ploughs would be handy around here.

Signs of progress or the heating system - the car-park had to be extended at the chapel. It is nicely decorated by hedges of rhododendrons. Now if only some people parked in the car park and not between graves!

Who was the acrobat who failed the balancing test on a borrowed bicycle? Who was left lying on the road by the wind? Who is still holding out on his New Year resolution? What about Lent? Who were the 2 Dunglee women carried home from Meenabanad?

Guíonn muid ádh mór ar an trí "watch dog" ar Chomhairle na Faróiste as an taobh seo tíre, James Phatrick, Paddy Antóin agus Aoidín an Ghabha. Bhí am iontach ann le tamall idir gaoth mhór, sneachta, floods agus elections. Níl tom aitéannach fágtha nár dóú do Dinnie agus Pat the Cope. Rinne Mary Eoghan Eamonn féasta mór brachán do Dinny oíche Shathairn ach d'ith Dominic Fheargail deireadh. Ag caint ar an stoirm, rinne sé cuid mhór damaiste. Cailleadh go leor sclátaí agus leagadh ballaí ach tá muid beo ar scór ar bith leis an scéal a inse. Tá John Beag Johnny ag cuir suas reward 'choinne eolas fá' bhroga Bhrídie Rosie a d'ímhig leis an ghaoth mhór. Chaith Mary Harden agus Maureen Eddie, ceannairí ann Foróige deireadh seachtaine i mBun Dobhair ar chúrsa. Deir siad gur fhoghlaim siad traidhfil theory agus traidhfil practice. Deir Maureen fosta gur i mBun-Dobhair a bhí siad agus ní i Sligeach mar atá na raflaí ag rá.

SPOT THE DIFFERENCE x10

Reachtáil C6iste Gl6r na nGael comórtas aistí i bPobal Scoil Ghaoth Dobhair ar na mallaibh faoi'n teideal "Gaoth Dobhair mar a ba mhaith liom e a bheith sa bhliain 2,000". Fuair Colmcille Ó Monacháin as an tArd Donn an chéad a áit, san dara bliain leis an aiste seo thfos.

Gaoth Dobhair mar a ba mhaith liom e a bheith sa bhliain 2,000.

Cuid a h-aon.
 (ar leanúint ar an mhí's' chugainn).

'Fiche bliain ag fás,
 Fiche bliain faoi bhláth,
 Fiche bliain ag meath,
 Fiche bliain ag fáil bháis'.

GUTH NA NÓG

An ag fás nó faoi bhláth nó ag meath nó ag fáil bháis atá Gaoth Dobhair? Le sin a fhreagairt chaithfí ceist éile a chur ar tús. Caidé'n rud Gaoth Dobhair? Caidé na hairíonna a ní Gaoth Dobhair agus a ní áit ar leith díthe? Caidé an chuid acu sin is ceart a leigint i léig agus caidé is ceart a choinneál agus a fhorbairt agus a thabhairt faoi bhláth?.

Is áit lom sceirdiúil Gaoth Dobhair nach bhfuil a dhath ann ach méilte, caorán agus sliabh agus fíorbheagán de thalamh oibre. Tá fiche bliain ó shin ní raibh i ndán dó Ghaoth Dobhair ach an bás. Duine ar bith a raibh spreacadh ar bith ann, ní raibh fá na choinne ach an imirce. Bhí oiread daoine i nGaoth Dobhair agus nár bh fhéidir leo uilig slí beatha cheart a bhaint amach ann. Ach rinneadh tarrtháil orthu agus indiaidh tamail stad an tuille imirce as an áit agus thosaigh an aisimirce. Tógadh monarchana agus cuireadh fostaíocht ar fáil. Ach go bé go dtáiniceas i dtárrtháil orthu ní bheadh i nGaoth Dobhair inniú ach sít bhánaithe, gan bhri, gan spiorad - áit seandaoine. Cad chuige a dtáiniceas i dtárrtháil ar mhuintir Gaoth Dobhair nuair a bhí paróistí éile ann a raibh doigh níos measa orthu b'fhéidir? Tháiniceas i dtárrtháil ar Gaoth Dobhair mar gur Gaeltacht í. Ba cheart dúinn cuimhniú ar sin. Is daoine iad bunús mhuintir Ghaoth Dobhair ar díbríodh a'sinsir as tailte méithe Chuige Uladh le linn na Flandála sa seachtú haois déag. Tá dhá thraidisiún acu - traidisiún na Criostaíochta agus traidisiún na Féinne agus tá an dhá thraidisiún sin dnadmtha le chéile sa Ghaeilge. Siad na rudaí a ba mhaith liom a chaomhnú agus a fhorbairt - an áit, na daoine agus an t-sibhialtacht ata i dtaisce sa Ghaeilge.

Caide an fhorbairt ab fhéidir a dhéanamh ar an áit? Nílthe ar deánamh úsáide go leor de na cnoic anseo. Ba cheart go mbéadh na cnoic anseo breac le caoirigh. Ba mhaith liom go mbéadh Comharchumann tógála caorach ann. Níor cheart na caoirigh a léigint amach as an cheantar gan iomlán tairbhe a bhaint astu - iad a lomadh, an ollann a ní, a phróiseáil agus snáth a dhéanamh díthe; na craicne a chóiriú, an fheoil a bhúistéireacht agus a phacáil, a reo agus a chur i mboscaí faoi lipéad Ghaoth Dobhair. Tá suil agam go mbeidh coillte síor-ghlása agus dúillshillteacha ar na sléibhte agus ar na cnoic i nGaoth Dobhair sa bhliain 2,000. Tá an áit iontach lom agus bhéarfadh na coillte foiscadh agus fostaíocht, agus pléisiúr dó chuairteoirí. Arís níor cheart an t-ádhmad a léigint amach as an áit gan iomlán próiseála a dhéanamh air ins an áit - ádhmad tógála, clárthaí slisneacha, ádhmaid, connadh srl.

Tá cuid mhór locha sa cheantar eadár mhór agus bheag agus is maith ann iad. Is iomaí dóigh a dtiocfadh linn leas a bhaint astú. Tá Loch Dhún Luíche ar an cheann is mó acu agus chomh maith le bheith ina loch mhaith iascaireachta agus ina radharc álainn tá sí fíor-fhoirsteanach fá choinne spóirt uisce, de thairbhe a méide. Thiocfadh áiseanna a chur ar fáil agus dá dteighfí ina cheann mar ba chóir ní chuirfeadh sé iontas orm dá mbeadh Dún Luíche ina bhaile mór laetha saoire sa bhliain 2,000. Is liosta mór fada na rudaí a d'fhéadfaidh a dhéanamh ar an loch sin - canúil, seoltóireacht, báadóireacht, sciáil uisce, surfáil ghaoithe agus tuilleadh. Tá muid ag fáil soláthar uisce ó Loch Caol agus níor mhaith liom go mbéimis i gcontúirt ar bith cionas baois lucht tóraíochta úrániam.

Tá na haibhneacha ann fosta ar ndóigh. Ba cheart casáin a dhéanamh fhad leo ón bhealach mhór fá choinne iascairí, corr dhroichead coise a chur orthu agus stoc úr éisc a chur iontú. Ba cheart tabhairt faoi scéimeanna mar seo faoi scáth Comharchumainn nach mbeadh scair ag aonduine ann ach ag muintir na háite sa dóigh is gur againne agus againne amhain a bhéadh smacht ar an fhorbairt. Mura ndéanadh muintir na háite é déanfaidh strainséirí é ar ríchuma leo fán áir ná fána muintir ach an phingin is réidhe a bhaint as.

Is achmhainn thábhachta í an fharrage dúinne. Ba mhaith liom go mbeadh sí a h-úsaid mar bhealach tráchtála dona monarchana. Tá iompar ar tír ag dul chun daicise lá indiadh lae, chomh maith le sin is féidir le long lasta iontach mor earraí a iompar - i bhfad níos mó ná thig le leoraí a iompar. Tá saibhreas mór éisc san fharrage thart fán chósta seo ach stad daoine 'é iascaireacht nuair a tháinig na monarchana - shíl siad nárbh fhiú a bheith ag iascaireacht feasta. Is cinnte gur fiú an iascaireacht na laetha seo. Le go dtiocfaidh seo uilig a dhéanamh chaithfí bail a chur ar Ché an Bhuna Bhig, giota a chur léithe agus an cuan a dhoimhniú le ligint dona badaí móra iascaireachta agus dó na longa théacht agus imeacht. Ba mhaith liom go mbeadh feirmeoireacht éisc ar bun fán chósta sa bhliain 2,000 feirmeoireacht bhradáin ab fhoirsteanáigh is dóiche. Thiocfadh tuilleadh fostaíochta a chur ar fáil fríd a bheith ag díol feannaigh, bodógaí mara agus bia cladaigh.

Is mór an trua gur tréigeadh na hoileáin. Dá mbeadh conaí ar na hoileáin - Gabhla, Inis Meáin agus Inis Sionnaigh, níor dhoiligh cuairteoirí a mhealladh.

Ba mhaith liom go mbeadh Gaoth Dobhair na bliana 2,000 i seilbh agus faoi smacht a mhuintire. Ar na mallaibh is cinnte go bhfuil pleán úr tithíochta acu don cheantar - teach indiadh tigh, ar aon mhéid choir a bheith, ar chomh-fhad ó chéile agus a n-aghaidh uilig leis an bhealach mhór. Sílim nach bhfuil an pleán seo ag foirstean don cheantar. Ba mhaith liom go mbeadh an talamh uilig agus na foirnimh uilig i seilbh dhaoine a mbeadh comhnáí buan orthu sa cheantar agus nach mbeadh an ceantar breac le tithe atá druite an chuid is mó den bhliain. Níor mhaith liom go mbeadh plóchógaí lucht Béarla scaptha fríd an phobal ag Údarás na Gaeltachta - tithe a gcuid bainisteoirí. Tá reabhadh millteanach déanta ag lucht díolta gairbhéil agus cloch ar cheann de na cnoic sa cheantar. Ba mhaith liom go gcuirfí cumhdach créafóige agus féir ar na háiteanna ina ndéanadh an tóchalt. Tá rud eile ann a chuireann cuma ghránna ar an áit, daoine a bheith ag fágáil seancharanna ós coinne a ndorais. Más mian leo garáiste nó reilig seancharanna a dhéanamh ina gcuid tailte ba cheart daofa cead pleanála a iarraidh fána choinne sin. Má fuair siad cead teach a thógáil níor cheart daofa malairt úsáide a dhéanamh don chead. Ba mhaith liom go mbeadh an tÚdarás Pleanála i bhfad níos cruaidhe ar na daoine sin. Chomh maith le sin is minic a chíféá bruscar caite ar thaobh an bhealaigh mhóir. Ba cheart a bheith níos curamaí fá'n timpeallacht agus ionad dumpála a chuir i dhá cheann an phobail sa dóigh nach mbéadh leithsceál ar bith ag daoine a chaitheann an bruscar ar thaobh an bhealaigh.

Ba í an Éigse seo an tríú ceann d'Éag a tionóladh i nGaioth Dobhair ó bunaíodh Éigse Uladh faoi Chomhdháil Náisiúnta na Gaeilge i 1970. D'éirí go h-iontach maith le Éigse na bliana seo. D'oscail a Shoillse, an Cairdinéal Tomás Ó Fiaich an Éigse go h-áifigiúil oíche Aoine i n-Ostán Radharc an Bargaill. Chuir Cathaoirleach Chóiste na h-Éigse an tAthair Eoghan Ó Fríghil fáilte roimhe agus bhronn Máire Mhic Niallais geansaí lamhdhéanta air thar cheann an Chóiste. Bhí slua mór i léthair agus bhronn an Cairdinéal duaiseanna ar na daltaí as Pobalscoil Ghaioth Dobhair a bhuaidh duaiseanna i dtionscnaimh a rinne siad san scoil ar logainmneach a gceantair féin. Bailíodh thart ar 1,000 logainm ar fad i gceantar na Pobalscoile. Bhronn Seán Ó Gallchoir, Cathaoirleach Chóiste Seanchais Ghaioth Dobhair cóip speisialta de'n liosta logainmneacha ar an Chairdinéal le linn na h-oíche. Ba é Príomh-Oide na scoile, Seán Mac Cumhaill a chuir na duaiseanna ar fáil agus thug sé moladh mór do na daltaí as a saothar agus do Noel Ó Gallchoir as an spreagadh a bhí tugtha aige daofa lena leithéid a dhéanamh.

Thug an Doctúir Dónall Ó Baoill an chéad léacht an oíche sin ar "Dinnseanchas agus Seanchas i nGaioth Dobhair". As Mí n'Chladaigh ó dhúchas d'Ó Baoill agus tá taighde leathan déanta aige ar stair an phobail. I ndiaidh na léachta bhí Céilí Mór an-bhríomhar ann a chuir deireadh le h-imeachtaí na h-oíche le Banna Céilí Anagaire.

Ba é Art Ó maolfhabhail ó'n Suirbhéireacht Ordanais a thug an léacht maidin De Sathairn ar "Ag báiliú Dinnseanchais i dtír Chonaill". Thug an Dr. Nollaig Ó h-Urmholtaigh as Ollscoil na Ríona, Béal Feirste léacht an tráthnóna ar "Geol agus Seanchas i dtír Chonaill" ag a raibh ceol agus seanchas ó'n lucht éisteachta chomh maith. Bhí amhráin ó Liam Ó Concubhair, Caitlín Nic Niallais agus Conall Ó Domhnaill. Bhí freastal an-mhaith ar na léachta uilig.

Tráthnóna De Sathairn d'oscail Micí an Chóip Ó Gallchoir, Uachtarán Chumann Staire agus Seanchais Ghaioth Dobhair an taispeantas de na Tionscnaimh, ochtó acu ar fad, a rinne na daltaí comh maith le Taispeantas de na h-aistí a reachtáil Coiste Ghlór na nGael Ghaioth Dobhair roimhe an Nollaig. Bhí 122 aiste ar fad ann agus an teideal nó, "Gaioth Dobhair mar a ba mhaith liom é a bheith sa bhliain 2000". Chuir achan nduine suim mór san Taispeantas agus tugadh moladh mór d'Ón chaidhdeán árd a bhí ann.

Bhí coirm ceoil ar chaidhdeán árd i Radharc an Bargaill oíche Shathairn de bhuaiteoirí Scór Réigiúin an Iarthar de C.L.C.G. agus buaiteoirí Oireachtas na Gaeilge chomh maith le aíonna éile. Níos moille sa'n oíche bhí Céilí Mór éile a bhí brea bríomhar agus an teach lán go doras.

Maidin De Domhnaigh bhí seirbhís an Chomaoin Naofa ann Eaglais na h-Éireann ar an Bhun Bheag faoi stiúir an Chanónach Coslett Ó Cuinn agus an t-Oir B. Mac Seáin. Leigh Alan agus Mairéad Ní Bhaoid na léachtaí agus an Col. Eoghan Ó Néill, Stiúrthóir Chomhdháil Náisiúnta na Gaeilge guí an phobail. Ba é an Canónach Aodh Ó Cnámhst, Sagart Paróiste Ghaioth Dobhair a leigh Aifreann na hÉigse i Séipeal Mhuire, Doire Beaga. Bhí an tAifreann craolta ar Raidió na Gaeltachta. Bhí Máire Bean Ní Bhraonain i mbun an cheoil agus leigh Noel Ó Gallchoir agus an Canónach Coslett Ó Cuinn na léachtaí.

Chuir sin deireadh le Éigse Uladh '82, an Éigse ab fhearr a bhí ann go fóill.

Harrogate in Yorkshire is certainly not the most exciting venue to stage the 27th Eurovision Contest, and the Irish entry for '82 "Here Today, Gone Tomorrow", composed by Galway born Sally Keating and performed by the Duskeys is not our strongest or most original choice for this fading contest. The song is like numerous other past Euro songs, rather dated melody, and rather poor lyrics. This was the composer's first major competition and the Duskeys' second appearance in the National Song Contest. This year 19 countries will compete in the Eurovision and Ireland has been placed second from last in order of appearance. Let's hope that the song will not end up in the same position after the jury have voted. With so many super composers and groups around, I ask, can this song be classed as our best composition? I feel that the time has come for Ireland to join both France and Italy and withdraw from the Eurovision. The present Euro format is an insult to our performers, and our composers.

The International Hit :

For the past three or four years that folk ballad "A Bunch of Thyme" featuring the duo Foster and Allen has been in out of the charts on an annual basis. Now to the surprise of the international music scene the song has stormed into the British charts for the duo. The two - Mick and Tony have spent in excess of £10,000 re-recording and promoting this ballad and at last they are well rewarded. A good song, but I do wish the boys would change their stage appearance, they look like two leprechauns instead of two good entertainers.

Life on the Road :

Life on the road in showbiz has little or no glamour about it. Some weeks back Feardorcha O'Colla, the Editor, and myself set out on a six date Irish and British tour with the Seamus Mc Gee Sound. In a period of six days we covered in excess of 5,000 miles visiting Galway, Claremorris, Dublin, Manchester, Birmingham, Glasgow and back to base. We received a tremendous welcome at each venue (more in the next special issue of Guth & Tuairim). We had late nights after equipment, etc was packed, and very little sleep during the tour. Behind the bright lights there is certainly hard work, long hours and little glamour behind the scenes on the one-nights circuit. I think I will stick to the typewriter myself. As for the editor, he found 'The Game' as he called it very much in his favour. Pity he can't sing !

Popularity Poll Toppers

Without doubt U 2 certainly emerged as the poll toppers in the Hot Press Annual Poll. The group were voted number one act, Bono top vocalist, the Edge best instrumentalist, while their album 'October' was rated as top LP by the readers. Their single 'Gloria' was voted second place. Good news indeed for this much travelled group of musicians.

An Early Start

In January the BBC TV will introduce their 'Breakfast TV Show' while two months later ITV join in with their new TV AM station. Both stations hit the screens at 7.00 am and over the next two hours will present a news, magazine, and film format. BBC TV state that the new early morning service will add a further £5 million to their budget. With such competition, RTE will be forced to go into competition, and they feel that as they are over £4 million plus in the red this is a venture they can ill afford at present. Unconfirmed reports that Terry Wogan could be departing from BBC Radio 2, to host the BBC TV show.

Litir ó'n Athair Peadar Ó Gallchoír as Cnoc a' Stolaire atá ag obair mar mhisinéir i Kenya.

Ar na mallaibh thug an Canonach Mac Cnaimhsí agus Comradáí cuairt orm amuigh sna réigiúin anseo ann Kenya. Ba ábhar lúchair domha iad a fheiceáil, nó ní annamh a bhuaileann a' nduine as an bhaile thart a' ceantar seo. Ach an rud a chuir dhá oiread lúchair orm gur smaointigh mo cháirde uilig sa bhaile i dtír Chonail orm-sa amuigh anseo, ná bhí ar iompar leo mála fiúntach airgid, rud nach raibh mé feitheamh leis. Ach is é Dia a chuir chugam é ná bhí mé sna smeachanna deireannacha díobháil airgid le cuidiú liom giota cibre a bhí eadar lsimhe a chríochnú. Chuir an mála a bhí leis an Chanónach críoch maith leis an obair sin ! Mo fhíor bhúiochas dó na daoine seo uilig a thug an tacaíocht seo domh agus dó na daoine a ghlac an trioblóid an t-airgead seo a chruinniú, nó ní gan trioblóid a chuir siad oiread airgid le chéile. Beidh mé ag tabhairt cuairt ar an bhaile sa tSamhradh agus beidh mé abálta búiochas pearsanta a thabhairt díbh as bhur gcuid fiúntais. Beannacht De oraibh uilig.

12 DEATH

EARLY 1900'S

During this period, the subject of Death was avoided, and if it ever was discussed, it was treated like some beautiful, mysterious thing.

I have something to tell you all! Dear Grandpa has gone to his Reward! Yes, he's left this Vale of Tears, and he's gone to meet his Maker across the Great Divide!

Say what you want... sounds like the ol' boy CROAKED to me!

MIDDLE 1900'S

Then, people were more candid about Death. However, the results weren't much better.

Mom, I've got some terrible news... Grandma just died!

Oh, no!! Why her? She was so young! She had so much to live for! Life is cruel! She was everything to me! She raised me as a girl! She nursed me... fed me—

Hold it, Mom...! Not YOUR Mother! DAD's Mother!!

Oh, well... when you gotta go, you gotta go!

Nowadays, things aren't as bad! They're worse!

AND TODAY

There goes another \$300,000 insurance policy shot to hell!

Mom, it's Dad—at the airport! His flight just landed safely!

Mo Chailín Rua.

Religion

People often ask me do I believe in God, as sometimes in the Chapel my head begins to nod. It's not that I'm a heretic or have an unorthodox view, - I might have been out late on Saturday night, and had a drink or two.

I know a lot of holy people who go to extreme lengths, for imaginary sins they eternally repent. They pray on Sunday on their knees so mild and very meek, then they go to prey on others for the rest of the week.

Religion is a personal thing that is your own affair and should not really be anyone else's care. I dont pray very often, only when in doubt hoping He will come straight to my aid when I give Him a shout.

The Green Fool

Why do soldiers welcome April? Is this the burning question which has tortured and intrigued the readers of "Guth Tuairim". Is this what Princess Anne came to Belfast for or why the Pope went to Africa? Before you all rush to ask me - dont. Ask C.J. - sometimes leader of the soldiers of Destiny who after a hectic defence of his seat confounded his critics and emerged as a brand new Tee-shock. So what does he do? Keep quiet for a while, keep a low profile? No, with every Local Authority in the country minus one at his throat after his deal with Gregory Grannog he lets rip at the old reliables - before the Budget. By the time April comes he and the Soldiers of Destiny will be needing a rest after a long March. But you know the old saying - no rest for the wicked.

Even as Chas. stepped in Garret stepped out again. The country will miss himself & that well known weather forecaster M. O'Leary who is as we all know is gone with the wind. To make a long story short, do you know what they do with old Guth Tuairim's in Dunlewy? They sell them at the chapel gates! Can this be true or is it all a load of Krapp? Whatever of that there is definitely a Bunawack man who goes all the way to Gortahork for the Karate. One last Thought: If you can down the shamrock this year, you shouldn't be reading this paper - you should be reading the "Times", and you should lend Tony a tie.

Glassagh cows are now eating shirts off the washing lines.
