Hail Queen of Heaven, the Virgin's  
 Guide of the wanderers here below  
 Show us life's way, we dare not  
 save us from pain and from we  
 Mother of Christ, Star of the East  
 Pray for the wanderers, pray!

II

O gentle, chaste, spotless Maid

We sinners make our prayers thro' thee  
 Remind thy Son that He has paid  
 the price of our iniquities

Virgin most pure Star of the East  
 Pray for the sinner, pray for me.

Heart of Jesus.

All for thee O Heart of Jesus  
 All for thee eternally  
 Thought for me O Heart of Jesus  
 Have to be beloved by thee  
 Thou hast taught me in my sorrow  
 Where alone the heart finds rest  
 I have learned 'tis sweet to suffer  
 Beloved on thy Sacred Breast

" " "

II

Let from me dear Heart of Jesus  
 All that holds me back from thee  
 Was the prayer I've long since whispered  
 Well, full well, Thou'st answered  
 Every hope once fondly cherished  
 One by one but seen depart  
 Till earth has for me no sunshine  
 Save alone thy Sacred Heart

Hail, heavenly Queen, hail surging ocean's star  
 & be our guide "spread thy beams afar  
 Hail, virgin sweet above all virgins blest  
 Hail, happy gate to heaven's eternal rest  
 Hail, surging ocean's star, hail heavenly  
 O be our guide to joy and bliss unceasing

II  
 Hail, full of grace with Gabriel we repeat  
 "Thee Queen of Heaven" from him we learn to  
 Give us that peace which heaven alone  
 And dead thro' Eve thro' thee shalt us lead

III  
 Thy children's voice O merciful Father hear  
 From weeping eyes oh deign to wipe a tear  
 Give us that peace which heaven alone  
 And dead thro' Eve thro' thee  
 Thy prayers for us to God thy love present  
 Above life & blood to save mankind were spent

"All for Thee, O Heart of Jesus."

To the dewy shades of even  
 Gather o'er the balmy air  
 Listen gentle Queen of Heaven  
 Listen to my vesper prayer  
 Holy Mother near me hover  
 Hide my thoughts from aught defiled  
 In thy tender bosom hide me  
 Save from harm thy helpless child

When our sinless heart was broken  
 Sorrow's sword had pierced it thro'  
 O'er the quiet me some sweet thought  
 Of thy tender love so true  
 Queen of sorrows, guard or guide  
 Let me to thine arms repair  
 In thy tender bosom hide me  
 Save from harm thy helpless child

Holy Mother! we implore thee

Mother we implore thee  
thy purity divine  
help us bending here before thee  
help us truly to be thine  
an unfolding wide the portals  
thy Kingdom in the streets  
thy virgin hast to mortals  
down the land of paradise.

Teach oh teach us holy mother  
how to conquer every sin  
how to love and help each other  
how the prize of life to win  
how to show a child was given  
greater than the sons of men  
coming down from highest heaven  
to create this world again
